YOUR PERSONAL DATA
For the purposes of operating the member draw, we will collect and process the following personal data: your name, account number, address, account balances, telephone, your image and other relevant information.

WHY DO WE COLLECT THIS PERSONAL DATA?
The members draw is a marketing activity used to promote the credit union and, as such, your express consent is required before you will be entered into the draw and your personal data is processed.

The publication of limited personal data belonging to prize winners is also a feature of the draw. This is used as a control to ensure the existence of legitimate prize winners can be verified in a transparent manner.

Your current arrears profile in the credit union (where relevant) will be considered as part of any decision to withhold the payment of prizes as per the terms and conditions of the draw, as per the draw rules.

YOUR RIGHTS

You are giving your consent for your personal data to be processed to facilitate your requested entry to the members' draw. You can withdraw this consent at any time by completing the opt-out form. Withdrawing this consent means you will no longer be part of the members' draw.

Should you be unhappy with how the credit union is processing your data, you also have the right to request from the us access to and rectification or erasure of personal data or restriction of processing concerning you, or to object to processing, as well as the right to data portability. You can also lodge a complaint at any time with the Data Protection Commission.
